We have several service styles, which include disposable serving utensils, plates, plastic cutlery and napkins. Please see below:

**1. PICK-UP** – Come directly to the restaurant to pick up your order. This option involves no additional fees.

**2. DELIVERY OR DELIVERY & SET-UP** – A catering team member delivers to your event location. We are happy to drop-off your meal or stay to help with light set-up, which includes unboxing and set-up for your order in a buffet. This service includes a standard 18% service charge that goes directly back to our catering team/drivers.

\* Please note that this is not an option at many private event spaces.

\* Chafing ware can be purchased additionally.

**3. LIMITED SERVICE** – One (or more) catering team member will deliver to your event location. We work with venue coordinators to set up your buffet-style service prior to the event start time. During dining service, we manage the buffet and refill as needed. This service may include light bussing of tables as well. Once guests have finished dining, we break down the buffet and clean as necessary.
